FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Revenue** said the sponsor of the bill estimates there are approximately 160 members of the Missouri Coroners' and Medical Examiners' Association. The number of individuals that would apply for this special plate is less than 160.

The revenue generated from the additional \$15 fee would also have minimal impact based on the number of applications anticipated. The cost of implementing this special license plate would have a minimal impact on the Department of Revenue and could be implemented with existing resources. If the number of applications increased, revenues and costs would be affected accordingly.

Officials from the **Division of Budgeting and Planning** said the legislative proposal should not result in additional costs or savings to the Division of Budget and Planning. These proposals would increase total state revenue. We defer to the Department of Revenue for revenue estimates.

Officials from the **Department of Transportation** concur with the Department of Revenue's estimate.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This bill allows for a special license plate for members of the Missouri Coroners' and Medical Examiners' Association. To obtain this plate, a person must get an emblem-use authorization statement by contributing \$25 to the Missouri Coroners' and Medical Examiners' Association and present this statement to the Department of Revenue at the time of registration. Upon presentation of the annual authorization statement and payment of a \$15 fee in addition to the regular registration fees and other document requirements, the department will issue a license plate bearing the emblem of the Missouri Coroners' and Medical Examiners' Association, the five-point star symbol universally recognized for law enforcement, and the words "CORONERS' OFFICE" in place of the words "SHOW-ME-STATE." The revenue obtained from contributions will be used for the purpose of promoting and supporting the objectives of the Missouri Coroners' and Medical Examiners' Association.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
